There's never been a better time to purchase a new home or even upgrade to that bigger house! All you have to do is look at this graph to see today's interest rates in comparison to rates dating back to 1971!

The average 30-year fixed mortgage rates and the approximate payment for a \$200,000 mortgage. Payments are principal and interest only, based on a \$200,000 fully amortizing mortgage. All terms are assumed to be 30 years.
